Sorry for the delay, Mike was on vacation. If you wish to search in 429 for this you can look in subs 163, 164, and 176. I believe most of the battery labels will be in these subs.
See ya,
Jon

Jonathan, can you help her with this?
Thanks,
Mike

Would you give me a search in class 429 for the above case? The claimed shrinkable label is used for battery.

Thank You!
